

# Eastern University, Sri Lanka

## Faculty of Science

# Annual Research Session 2026

*Theme: Innovative Science for a Sustainable Future*

### Tracks

-  Physical and Chemical Sciences
-  Biological and Environmental Sciences
-  Mathematical and Computational Sciences
-  Interdisciplinary and Applied Research

Authors have the opportunity to publish their full papers in the Faculty Journal (JSc).

<https://www.fsc.esn.ac.lk/jsc/>

### Important Dates

- Deadline for Submission (Abstract and Extended Abstract) – April 30<sup>th</sup> 2026
- Acceptance of Abstract – June 08<sup>th</sup> 2026
- Camera Ready Submission – June 20<sup>th</sup> 2026
- Deadline for Full Paper Submission – June 30<sup>th</sup> 2026
- Conference - September 2026

**Website:** <https://fsc.esn.ac.lk/ars2026>

**Email:** [arsfos2026@esn.ac.lk](mailto:arsfos2026@esn.ac.lk)

**Contact No:** +94718497074

**Chair:** Prof. T. Mathiventhan

**Secretary:** Prof. P. Rodney Fernando

# Eastern University, Sri Lanka

## *Faculty of Science*

# Annual Research Session 2026

*Theme: Innovative Science for a Sustainable Future*

### CONFERENCE TRACKS

#### **(a) Physical and Chemical Sciences**

- Materials Science and Nanotechnology
- Renewable Energy and Environmental Chemistry
- Analytical and Computational Chemistry
- Physics of Advanced Materials and Instrumentation
- Atmospheric Science

#### **(b) Biological and Environmental Sciences**

- Biodiversity, Conservation, and Ecology
- Blue Carbon Ecosystems
- Microbiology, Biotechnology, and Molecular Biology
- Plant and Animal Sciences
- Climate, Environmental Monitoring and Pollution Control
- Sustainable Agriculture, Fisheries and Food Security

#### **(c) Mathematical and Computational Sciences**

- Mathematics and Statistics
- Data Science, Machine Learning, and Artificial Intelligence
- Modelling and Simulation in Natural Sciences
- Computational Biology and Bioinformatics

#### **(d) Interdisciplinary and Applied Research**

- Science Education and Pedagogy
- Sustainable Resource Management
- Health, Nutrition, and Biochemistry
- Green Technologies and Waste Management
- Science–Policy Interface and Community Applications
